## NursingHomeCompare Footnotes

Footnote number	Footnote as displayed on nursing home Compare
1	Newly certified nursing home with less than 12-15 months of data available.
2	Not enough data available to calculate a star rating.
3	The health inspection was performed using the Quality Indicator Survey process.
4	This indicates that the nursing home has had a change of owner in the past 12 months. This information may be of interest to you when visiting a nursing home.
5	The star rating a nursing home received for the information it provided about its Registered Nurse (RN) staffing. RNs have between 2 and 6 years of education.
6	This facility didn't submit staffing data, or submitted data that didn't meet the criteria required to calculate a staffing measure.
7	Not Reported - CMS determined that the percentage was not accurate.
8	Not Available
9	Not Available - The number of residents is too small to report. Call the facility to discuss this quality measure.

<b>Footnote number</b>	<b>Footnote as displayed on nursing home Compare</b>
10	Not Available - The data for this measure is missing. Call the facility to discuss this quality measure.
11	Not Available - Call the facility to discuss this quality measure.
12	This facility either didn't submit staffing data, has reported a high number of days without a registered nurse onsite, or submitted data that couldn't be verified through an audit.
13	The number of cases/resident stays is too small to report.
14	Data not available for this reporting period.
15	Results are based on a shorter time period than required.
16	Data suppressed by CMS for one or more quarters.
17	Data not submitted for this reporting period.
18	This facility isn't rated due to a history of serious quality issues and is included in the special focus facility program.
